

Dear Families and Friends of Prairie Crossing Charter School,

The “*Island Inspirations*” Auction Committee would like to thank you for attending this evening’s celebration and contributing to its success. We hope you had a good time and walk away with some priceless items and memories. As always, your support is greatly appreciated!

For the first time this year, we auctioned live the one of a kind objects created by our children—from Kindergarten to seventh grade, children created unique objects showcasing their abilities and our school. These could not have been achieved without the dedication of parent volunteers. For this the school and the auction committee are indeed very grateful! If you won one of these items, do know that many hours of hard work went into making them. For those that bid on them, but did not win, there is always next year. Be sure to check out the Memory Book being sold by the 8th graders.

Your support today is crucial to the continued success of our school. Prairie Crossing Charter School is an innovative public elementary school chartered with an environmental curriculum. It is a small school by choice guided by the philosophy that small sizes creates a setting for innovation and experience based curriculum. *And... our methods are working!* In 2004, we were one of the 288 schools recognized as an “Illinois Honor Roll School”. In 2006, we won the first ever **Charter-up** award instituted by the Illinois Network of Charter Schools for our “*Farm to Table*” program.

Yet, we have a long way to go and we need your support as Charter schools are denied access to certain streams of state funding which is available to all traditional public schools. In addition, our school would like to offer many more unique programs which could add value to our students’ education experience. Finally, these unique programs could also be shared with other public school systems; but creating and spreading innovation costs money.

We thank you once again for coming to the auction fundraiser tonight and for supporting our school. We hope that you enjoyed your evening and that it provided you an opportunity to celebrate our school’s success, to see old friends, make new ones and to enjoy the company of others with a shared vision for our children.

Sincerely,
Frances Verenski, Auction Chair, *Island Inspirations* Auction Committee

Raffle Items

We are raffling three items - American Girl Doll, Apple IPOD with Video and Nintendo Wii! Raffle tickets are \$5/each. You can choose to buy tickets for each item or you can buy all your tickets for one item. The items are listed below!

Raffle Items Description

American Girl Doll - Meet Nicki - Girl of the Year 2007

We are raffling the Girl of the Year! Her name is Nicki and she is from Colorado, the land of blue skies and big dreams. And in trying to fulfill her many dreams, Nicki finds it hard to say “no”. But the satisfaction she gets from serving others helps Nicki discover just how many tasks she can juggle - and which are most important. *For a \$5 raffle ticket, you could buy a chance to win her. The more tickets you buy - the better your chances are !*

Apple IPOD with Video - 30GB

Witness the evolution of the revolution. First it played songs. Then photos. Then podcasts. Now iPod plays video, changing the way you experience your music and more. Lighter and thinner the new iPod is music to your eyes.

Put your entire music library into your pocket. Plus carry movies, TV shows, videos, games, podcasts, audiobooks, photos, and more.

For a \$5 raffle ticket, you could buy a chance to win the Apple IPOD with Video. The more tickets you buy - the better your chances are!

Nintendo Wii

The third item is a Nintendo Wii! With each passing year, video gaming has become an exclusive experience. The complexities of some of the newest games have alienated those who used to play games with their entire families. Wii changes all that. At about 8.5 inches long, 6 inches wide and less than 2 inches thick (roughly the size of 3 DVD cases stacked on top of each other), this game is backward-compatible to all Nintendo GameCube games and includes four ports for controllers and two slots for memory cards. *The coolest and the greatest! - for a \$5 raffle ticket, you could buy a chance to win this. The more tickets you buy - the better your chances are!*

Thank you to the Auction Committee who put many hours into the process of making this event possible.

8th Grade Memory Book - Item for purchase only

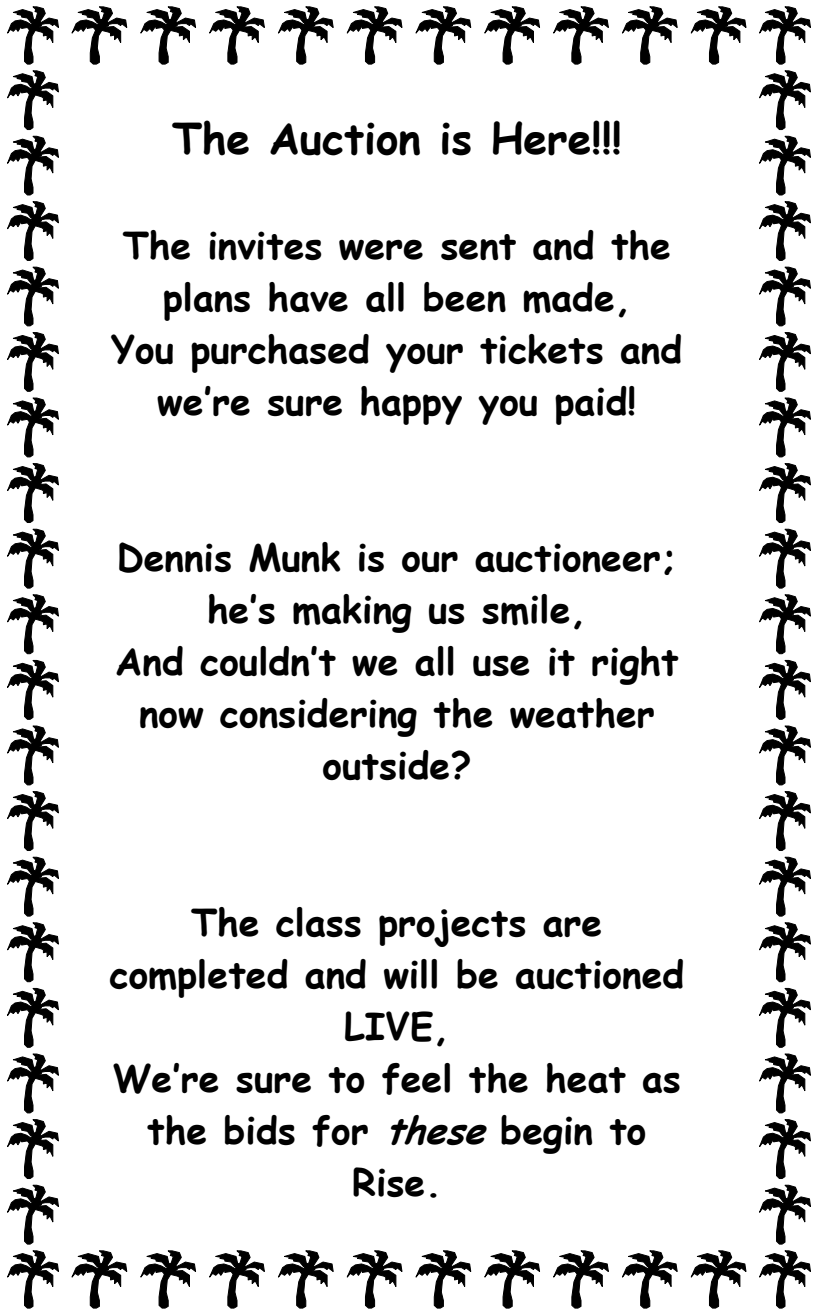

This year the Eighth graders chose to make a memory book to sell instead of making an item to auction. This memory book filled with 40 pages of colorful pictures, quotes and interviews about education at PCCS from Kdg to 8th grade! The 8th grade students and their parents did a fabulous job bringing this gem to the entire school!

We have some fantastic hotel stays and a treasure chest filled with gold,
 And hope the island vibe will inspire you to forget about the cold.

So relax and enjoy on this Auction Night,
 In floral prints and flip-flops (which are totally out of sight!)

In case you need some more reasons to bid this Auction Night,
 Take a look around at these auction items as they're really out-of-site!

The Auction is Here!!!

The invites were sent and the plans have all been made, You purchased your tickets and we're sure happy you paid!

Dennis Munk is our auctioneer; he's making us smile, And couldn't we all use it right now considering the weather outside?

The class projects are completed and will be auctioned LIVE, We're sure to feel the heat as the bids for *these* begin to Rise.
